Tour Details:

DAY ONE: Guests are collected from all hotels, guesthouses and private homes in Gauteng as well as from Johannesburg International Airport.

A picturesque drive via the Highveld farmlands and then down to the subtropical Lowveld and onwards to Tremisana Game Lodge in the Balule Section of the Kruger Park.

During a short break, you may rest in your room, have a refreshing dip in our sparkling pool, unwind at the bar or relax in the beautiful gardens..

At around 17h00 you board the open Landcruiser for a Sunset Drive. Your qualified guide will facilitate your first exciting opportunity to experience the varied African fauna and flora. Watch the magnificent African sunset, and, after darkness falls, use spotlights to locate nocturnal animals. Dinner in the Boma will be a traditional South African meal.

Overnight in comfortable, air-conditioned en suite thatch-roofed chalets.

DAY TWO: Awaken at sunrise for an exhilarating day of unforgettable bush life. Drive to a remote part of the Balule Game Reserve, where you enjoy a 4h Bush Walk. Your experienced field guide will lead you through the bush. The thrill of following Africa's large animals until you can take a photo will remain with you forever. Adrenalin surges will be acute, notwithstanding the presence of your armed ranger. Return to Tremisana for brunch. At 14h00 we offer high tea. At 3pm you are taken on a sundowner drive. Dinner will be at Tremisana

DAY THREE: Drive to the Orpen Gate of Kruger, where we transfer to a custom-built open-sided Gameviewer. The open vehicle allows for a total wildlife opportunity - you will not only have an amazing opportunity to view game, but also to listen to and smell the African bush and its denizens. The absence of windows and your elevated vantage position allow for excellent photographic opportunities. Your experienced guide will show you many animals and birds that frequent this wildlife paradise. We have regular stops at picnic spots, rest camps and places of interest. The Orpen-Satara-Nwanedzi regions have open plains and support large herds of zebra, giraffe and antelope that attract numerous predators. In fact, this zone has the highest concentration of lions in Africa!

DAY FOUR: Enjoy an early morning Sunrise Drive on Balule on the open Landcruiser. After a hearty breakfast, there is an opportunity to purchase some memorabilia from our shop and take your last photos of the luxuriant lush gardens at Tremisana. We then drive to the awesome Blyde River Canyon and view the Three Rondawels. We return to Gauteng in the late afternoon. Airport drop off by arrangement.
